Communities and Local Government Committee

The Communities and Local Government Committee of MPs were welcomed recently at Vindon by Business Development Director Patrick Jackson and Financial Director, Jon Scopes.

The visit to Vindon was included in the itinerary as part of a recent visit to Rochdale on 12 June 2011. After an introduction and brief history of Vindon, discussions ranged from local employment issues to growth strategies for the Kingsway Business Park development on which Vindon's storage and manufacturing facility is located and transport links for employees.

Vindon's stability storage facility and Cryobank was the final stop on a tour of the borough canvassing views from both residential and business communities in Rochdale.

The Communities and Local Government Committee

The Communities and Local Government Committee is appointed by the House of Commons to examine the expenditure, administration, and policy of the Department for Communities and Local Government.
